

JR. DRAGSTER

JR. Dragster Rules:

1/8th mile, .500 full tree, bracket, two timed runs

Jr. driver's must be towed through pits.

Car and driver must meet IHRA and track safety rules.

Throttle stops/controllers and delay boxes are prohibited. Launch controls are permitted.

Buy Backs for 1st and 2nd rounds, if time permitting.

Bye determined by best RT from previous round; 1st round bye is determined by the best of the two time trials.

Pairings are determined by 'wild' card method. Drivers choose cards to determine who they race. Card is chosen in the order in which the driver qualified from each previous round; 1st round card selection is based on the best overall of the two time trials.
